1145.14 OFF-STREET PARKING AND LOADING

(b) The parking spaces required in ~~an R-1, R-2 and R-3 District~~ residential districts shall be equal to the number of families housed in the residence. Such parking spaces shall be located on the same lot with the main building ~~and~~ or in the rear yard on an appropriate parking surface, except as otherwise provided. A garage having a floor area of 200 square feet, or multiples thereof, shall be recognized as a parking space or spaces. Only one (1) driveway is permitted per approved building lot in a residential district.
