

Swim Lesson Cancellation Policy

- In the event of inclement weather such as thunder and lightning, swim lessons will be cancelled.
- If it is raining hard and visibility in the bottom of the pool is obstructed, swim lessons will be cancelled.
- If the air temperature is less than 65degrees, swim lessons will be cancelled.
- If more than 2 lessons are cancelled during the week, the lessons will be made up on the weekend. Those dates will be posted.

Safety Day

Safety day is generally completed on a day when the weather is not favorable for swimming. If at all possible, the children who are in the lower levels (1-3) will participate in safety day for the first half of the lesson and they will swim for the for second half.
