A-23-14 Authorization to enter into an agreement with the Ohio Department of Transportation for upgrades of signal timing equipment on St. Rt. 58; emergency

Mayor Costilow spoke and explained this item. The City does a lot of work on timing at intersections to make sure that traffic moves as smoothly as possible. A reminder that we did do some extensive studies for that Rt. 58 corridor in conjunction with the City of Lorain. This is not a part of it. This is needed just as a typical upgrade and ODOT is willing to participate since this is a typical upgrade. ODOT is willing to provide the equipment needed. He explained further how this project will continue.

Mr. Janik motioned to send this to the floor of Council with the emergency. Seconded by Mr. Wachholz. Roll call vote 6-0 to send to the floor of Council with the emergency.

Mr. Wachholz motioned to adjourn, seconded by Mr. Cowger. Voice vote 6-0 to adjourn.

The meeting adjourned at 7:27 P. M.

Chuck Winiarski, Chairman  
Police and Fire Committee
