Present in Council Chambers were Chairman Janik, Mr. Wachholz, Mr. Dembinski, Mr. Nahorn, Mr. Mowcomber, Mr. Winiarski, Ms. Harmych, Council President Wasilk, Mayor Costilow, Auditor Phillips, Treasurer Miller, Law Director Pecora. A-26-08 An Ordinance to adopt a cyber security program; emergency.

Mayor explained that we do have cybersecurity plan and policy but the State has demanded that City Council actually adopt these cyber security plans that we have. He has provided this information of this plan that we have. The state has asked for us to adopt this plan. It is large, so council was sent a link that they can look at. He looked at it, as did IT Mr. Bukovac who said it was a good program. We already have the plan, but the State wants to recognize the plan. This perhaps should have been done last year, so he asks, if council agrees with this, that they adopt it on emergency. Mr. Wachholz motioned to send this to the floor of Council with emergency. Seconded by Ms. Harmych. Voice vote 7-0 to take to the floor of Council with the emergency clause.

Mr. Dembinski motioned to adjourn. Seconded by Mr. Nahorn. Vote 7-0 to adjourn. The meeting adjourned at 7:33 p.m.

David Janik, Chairman
Technology Committee
